1.1—LEGAL STATUS OF THE BOARD OF DIRECTORS

By the authority of Article 14 of the Arkansas Constitution, the General Assembly has provided that locally elected school boards will be responsible for the lawful operation and maintenance of its local schools.

While the Board has a broad range of powers and duties, its individual members only have authority when exercising their responsibilities in a legally convened meeting acting as a whole. The sole exception is when an individual member has been delegated authority to represent the Board for a specific, defined purpose. In matters such as personnel discipline, expulsions, and student suspensions initiated by the superintendent, the Board serves as a finder of fact, not unlike a jury. For this reason, the board should not be involved in or, to the extent practicable, informed of the facts or allegations of such matters prior to a board hearing or those disciplinary matters in which the Board could become involved.

It is the policy of the Waldron School Board that its actions will be taken with due regard for its legal responsibilities and in the belief that its actions shall be in the best interests of its students and the District as a whole.

1.8—GOVERNANCE BY POLICY

The district shall operate within the legal frameworks of the State and Federal Constitutions, and appropriate statutes, regulations, and court decisions. The legal frameworks governing the district shall be augmented by policies adopted by the board of directors which shall serve to further define the operations of the district.

When necessitated by unforeseen circumstances, the Superintendent shall have the power to decide and take appropriate action for an area not covered by the legal frameworks or a policy of the Board. The Superintendent shall inform the members of the Board of such action. The Board shall then consider whether it is necessary to formulate and adopt a policy to cover such circumstances.

The official copy of the policy manual for the District shall be kept in the Superintendent's office. Copies of the manual within the District shall be kept current, but if a discrepancy occurs between manuals, the Superintendent's version shall be regarded as authoritative.

Administrative regulations shall be formulated to implement the intentions of the policies of the Board. Regulations may be highly specific. The Board shall review administrative regulations prior to their implementation.

Date Adopted: June 28, 2004

Last Revised: July 10, 2008

1.9—POLICY FORMULATION

The Board affirms through its policies and its policy adoption process, its belief that: (1) the schools belong to the people who create them by consent and support them by taxation; (2) the schools are only as strong as an informed citizenry and knowledgeable school staff allow them to be; (3) the support is based on knowledge of, understanding about, and participation in the efforts of its public schools. The following shall be the guidelines for policy adoption for the Waldron School District.

General Policies

Policies which are not personnel policies may be recommended by the Board or any member of the Board; by the Superintendent, Assistant Superintendent, any other administrator or employee of the District; committee appointed by the Board; or by any member of the public. Policies adopted by the Board shall be within the legal framework of the State and Federal Constitutions, and appropriate statutes, rules, and court decisions.

When reviewing a proposed policy (non-personnel), the Board may elect to adopt, amend, refer back to the person proposing the policy for further consideration, take it under advisement, reject it, or refuse to consider such proposal.

Certified and Noncertified Personnel Policies

Personnel policies (including employee salary schedules) shall be created, amended, or deleted in accordance with State law:

(1) Board Proposals:

The Board may propose a personnel policy by a majority vote. Such policies may be presented to the Board by a Board member or the Superintendent. The Board may choose to adopt the proposal, as a proposal only, by majority vote.

Following the adoption of a proposed personnel policy, the proposal must be presented to the appropriate Personnel Policy Committee. Such presentation should be done in writing, to all members of the Committee.

When the Personnel Policies Committee has been presented the proposal for a minimum of ten (10) working days (i.e., ten weekdays, not including weekends or state or national holidays), the Board may vote to adopt the proposal as a policy.

(2) Personnel Policies Committee Proposals:

Either Personnel Policies Committee may recommend changes in personnel policies to the Board. When making such a proposal the Chairman of the Personnel Policies Committee, or the Chairman's designee, has the right to make an oral presentation to the Board.

The Board may vote on the proposal at the same meeting at which the proposal is made, or, in any case, no later than the next regular Board meeting. In voting on a proposal from the Personnel Policies Committee, the Board may:

- (a) Adopt the proposal;
- (b) Reject the proposal; or
- (c) Refer the proposal back to the Personnel Policies Committee for further study and revision.

Effective date of policy changes:

All personnel policy changes enacted during one fiscal year will become effective on the first day of the following fiscal year, July 1. This specifically includes any changes made between May 1 and June 30 to ensure compliance with state or federal laws, rules, or regulations or the Arkansas Department of Education Commissioner’s Memos.

Changes made to personnel policies between May 1 and June 30 that are **not** made to ensure compliance with state or federal laws or regulations will take effect on July 1 of the same calendar year provided no later than five (5) working days after final board action, a notice of the change is sent to each affected employee by first class mail to the address on record in the personnel file.¹ The notice of the change must include:

- a. The new or modified policy or policies provided in a form that clearly shows the additions underlined and the deletions stricken;
- b. A statement that due to the change(s), the employee has the power to unilaterally rescind his/her contract for a period of thirty (30) days after the school board took final action on the policy (policies). The rescission must be in the form of a letter of resignation within the thirty (30) day period.

For a policy change to be made effective prior to July 1 of the following fiscal year, a vote must be taken of all certified personnel or all noncertified personnel, as appropriate, with the vote conducted by the appropriate Personnel Policies Committee. If, by a majority vote, the affected personnel approve, the policy becomes effective as of the date of the vote, unless otherwise specified by the Board in requesting such vote. No staff vote taken prior to final board action will be considered effective to make a policy change.

All other policy changes become effective upon the Board’s approval of the change, unless the Board specifies a different date.

Notes: ¹Districts should plan carefully to avoid accidentally triggering the late-adopted personnel policy right of rescission. School employees who take the opportunity to escape their contractual obligations and leave the school district would be very disruptive to staffing plans for the next school year. Salary schedules for the upcoming school year, in particular, should either be adopted prior to May 1, or after July 1 (and requiring a vote of the applicable staff to be effective) thus avoiding the right of rescission.

In the absence of such documentation, the district shall attempt to obtain records of training received from training providers.

Such training may be obtained from an institution of higher learning, from instruction provided by the Arkansas Department of Education or the Arkansas School Boards Association, or from other providers approved by the Arkansas Department of Education.

A statement regarding the number of hours of training received each preceding calendar year shall be:
Part of the district’s comprehensive school plan and goals;

The relationship is enhanced when both parties understand their roles and carry them out in an ethical and professional manner working to develop a relationship of mutual trust and respect.

- d. Parents of the individual or parents of the individual's spouse;
- e. Brothers and sisters of the individual or brothers and sisters of the individual's spouse;
- f. Anyone living or residing in the same residence or household with the individual or in the same residence or household with the individual's spouse; or

 - II. Renewal of a noncertified employee's contract that is required by law; or
 - III. Movement of an employee on the salary schedule which does not require board action.

NEW HIRE OF SCHOOL BOARD MEMBER'S RELATIVE AS SCHOOL EMPLOYEE

The district shall not initially employ a present board member's family member for compensation in excess of \$5,000 unless the district has received approval from the Commissioner of the Department of Education. The employment of a present board member's family member shall only be made in unusual and limited circumstances. The authority to make the determination of what qualifies as "unusual and limited circumstances" rests with the Commissioner of the Department of Education whose approval is required before the employment contract is effective, valid, or enforceable.

Initial employment for a sum of less than \$5,000 per employment contract or , in the absence of an employment contract, calendar year does not come under the purview of this policy and is permitted.

The board member whose family member is proposed for an employment contract, regardless of the dollar amount of the contract, shall leave the meeting until the voting on the issue is concluded and the absent member shall not be counted as having voted.

EXCEPTION: SUBSTITUTES

Qualified family members of board members may be employed by the district as substitute teachers, substitute cafeteria workers, or substitute bus drivers for a period of time not to exceed thirty (30) days per fiscal year.¹

A family member of a school board member having worked as a substitute for the district in the past does not “grandfather” the substitute. The 30 day maximum limit is applied in all cases.

EXISTING EMPLOYEES WHO ARE FAMILY MEMBERS OF SCHOOL BOARD MEMBERS—RAISES, PROMOTIONS OR CHANGES IN COMPENSATION

Any change in the terms or conditions of an employment contract including length of contract, a promotion, or a change in the employment status of a present board member’s family member that would result in an increase in compensation of more than \$2,500, and that is not part of a state mandated salary increase for the employee in question, must be approved by the Commissioner of the Department of Education before such changes in the employment status is effective, valid, or enforceable.

QUALIFICATIONS FOR RUNNING FOR SCHOOL BOARD MEMBER UNCHANGED

The employment status of a citizen’s family member does not affect that citizen’s ability to run for, and, if elected, serve the school board provided he/she meets all other statutory eligibility requirements.

Note: ¹ This paragraph is necessary if the district is to be eligible to hire any board member’s family members as substitute employees. The board may choose to not allow such hiring. If they so choose, substitute the following sentence for the existing one. “Family members of board members shall not be employed by the district as substitute teachers, substitute cafeteria workers, or substitute bus drivers.”

1.18—District Audits

The District's annual audit serves as an important opportunity for the Board of Directors to review the fiscal operations and health of the district. As such, it is vital Board members receive sufficient explanation of each audit report to enable the members to understand the report's findings and help them better understand the District's fiscal operations.

The District shall have an audit conducted annually within the timelines prescribed by law. The audit shall be conducted by the Division of Legislative Audit or through the audit services of a private certified public accountant(s) approved by the Board.

The Board of Directors shall review each annual audit at the first regularly scheduled board meeting following the receipt of the audit if the District received the audit prior to ten (10) days before the regularly scheduled meeting. If the audit report is received less than ten (10) days prior to a regularly scheduled board meeting, the board may review the report at the next regularly scheduled board meeting following the ten (10) day period.

The Superintendent shall present sufficient supporting/background information relating to the report's findings and recommendations which will enable the Board of Directors to direct the Superintendent to take appropriate action in the form of a motion or motions relating to each finding and recommendation contained in the audit report. Actions to be taken will be in sufficient detail to enable the Board of Directors to monitor the District's progress in addressing substantial findings and recommendations and subsequently determine that they have been corrected. The minutes of the Board's meeting shall document the review of the audit's findings and recommendations along with any motions made by the Board or actions directed to be taken by the Superintendent or designee.

The Board of Directors is responsible for presenting the audit's findings each year to the public .¹

Notes: ¹ The Standards of Accreditation (7.03.3.1) requires a report to the public by November 15, but doesn't specify it include the audits' findings. A.C.A. § 6-13-620(6)(F) requires the reporting of the audit's findings, but doesn't specify any date by which they must be reported. In other words, you MAY go over the audit report at you annual meeting, but it is not required.
