1.1—LEGAL STATUS OF THE BOARD OF DIRECTORS

By the authority of Article 14 of the Arkansas Constitution, the General Assembly has provided that locally elected school boards will be responsible for the lawful operation and maintenance of its local schools.

While the Board has a broad range of powers and duties, its individual members only have authority when exercising their responsibilities in a legally convened meeting acting as a whole. The sole exception is when an individual member has been delegated authority to represent the Board for a specific, defined purpose. In matters such as personnel discipline, expulsions, and student suspensions initiated by the superintendent, the Board serves as a finder of fact, not unlike a jury. For this reason, the board should not be involved in or, to the extent practicable, informed of the facts or allegations of such matters prior to a board hearing or those disciplinary matters in which the Board could become involved.

It is the policy of the Waldron School Board that its actions will be taken with due regard for its legal responsibilities and in the belief that its actions shall be in the best interests of its students and the District as a whole.

1.2—BOARD ORGANIZATION and VACANCIES

Election of Officers

The Board shall elect a president, vice president, secretary, and legislative liaison¹ at the first regular meeting following the later of the certification of the results of the annual September school election or if there is a runoff election, at the first regular meeting following the certification of the results of a run-off election. The secretary need not be a member of the Board. Officers shall serve one-year terms and perform those duties as prescribed by policy of the Board. The Board shall also elect through a resolution passed by a majority vote one of its members to be the primary board disbursing officer and may designate one or more additional board members as alternate board disbursing officers. A copy of the resolution will be sent to the county treasurer and to the director of the Department of Finance and Administration.

When the position of an officer of the board becomes vacant, the officer's position shall be filled for the remainder of the year in the same manner as for the annual election of officers after the annual school election. Election of Board officers shall not occur except on a once per year basis or to fill an officer vacancy.

Vacancies

A vacancy shall exist on the Board if a board member:

1. Moves his or her bona fide permanent residence outside the boundaries of the school district;
2. Fails to physically attend three (3) consecutive regular meetings of the school district board of directors;
3. Fails to physically attend six (6) regularly scheduled board meetings of the school board of directors in a calendar year;
4. Is convicted of a felony;
5. Is called to active military duty;
6. Has served a full-length term as a holdover and has not subsequently been elected to another term;²
7. Resigned from the school board of directors; or
8. Dies.

If credible evidence of a vacancy existing due to numbers 1 through 3 is presented to the president, vice president, or secretary of a school district board of directors, a majority of the members of the school district board of directors shall:

- Vote on whether to appoint an independent investigator to investigate the credible evidence presented; and
- Hold a hearing on the existence of a vacancy.³

A vacancy does not exist for numbers 2 and 3 if the reason for the absences is either:

- a) Military service of the board member; or
- b) Illness of the board member that is verified by a written sworn statement of the board member's attending physician.

If a vacancy occurs on the board of directors, provided at least a quorum of the Board remains, the Board has thirty (30) days in which to appoint a successor⁴ to a vacated position on the Board. If less than a quorum of the Board remains or the Board fails to fill the vacancy within 30 days of the vacancy, the position shall be filled by the county quorum court.

Except for a temporary vacancy due to military service, an individual appointed to fill a vacancy shall serve until the annual school election following the appointment. An individual appointed to fill a temporary vacancy due to military service shall serve until either the Board member who has been called to active military service returns and notifies the Board secretary of his/her desire to resume service on the Board or the Board member's term expires. Should the still active military Board member's term expire, that member may run for re-election; if re-elected, the re-elected Board member's temporary vacancy shall be filled again in the manner prescribed in this policy.

The secretary of the school district board of directors shall notify the county clerk of an appointment to the school district board of directors within five (5) days of the appointment being made. The notice shall include the name of the appointed board member and the expiration date of his or her term.

An individual appointed to fill a vacancy must submit proof of having received the oath of office to the county clerk before the individual may assume any duties.

Notes: ¹ The legislative liaison position is not statutorily required but is requested by ASBA so each board has at least one individual selected to receive and respond to ASBA's legislative updates. A longer explanation and list of duties can be found in Policy 1.20—DUTIES OF THE LEGISLATIVE LIAISON. Your district could choose to make it part of another officer's duties rather than a separate office.

²For a full explanation of holdovers see policy 1.19.

³The requirements for the hearing are set forth at A.C.A. § 6-13-611(b)(2) through (6).

⁴The individual appointed to fill the vacancy must be a qualified elector of the school district and reside in the same zone as the vacant position, if applicable.

1.6—BOARD MEMBER VOTING

Establishment of a Quorum

A quorum of the Board is a majority of the membership of the Board. No vote or other board action may be taken unless there is a quorum present. Except as provided in Policy 1.6.1—ATTENDING MEETINGS REMOTELY, a Board member must be physically present at a meeting to be counted toward establishing a quorum or to be eligible to vote. A majority of the quorum voting affirmatively is necessary for the passage of any motion. A quorum must be physically present for a board to enter executive session.

Voting and failure to vote

Except as provided in Policy 1.6.1—ATTENDING MEETINGS REMOTELY, a Board member, including the President, shall vote on each motion, following a second and discussion of that motion.

Failure of any Board member to vote, while physically present in the meeting room, shall be counted as a “no” vote, i.e., a vote against the motion.

Only those votes taken by the Board in open session are legally binding. No motion made or vote taken in executive session is legally binding, although a non-binding, unofficial and non-recorded vote may be taken in executive session to establish consensus or further discussion.

Abstentions from Voting

In order for a Board member to abstain from voting, he must declare a conflict and remove himself from the meeting room during the vote. A Board member who removes himself/herself from a meeting during a vote due to a conflict of interest shall not be considered present at the meeting for the purpose of establishing a quorum until the member returns to the meeting after the vote.

1.6.1—ATTENDING MEETINGS REMOTELY

The Board of Directors permits members who would be otherwise unable to physically attend a board meeting to attend the meeting remotely. Except where prohibited by this policy, a board member who attends remotely shall have the same rights and privileges as if the board member were physically present. A board member who will be unable to physically attend a board meeting is responsible for notifying the superintendent at least one (1) hour prior to the scheduled meeting time that the member will be unable to physically attend the meeting and intends to attend remotely.

The method used to permit members of the board of directors to attend remotely shall:

- 1) Provide a method for the president or secretary of the board of directors to verify the identity of the member(s) attending remotely;
- 2) Allow the members of the Board physically present and members of the public to hear the member(s) attending remotely at all times; and
- 3) Allow the member(s) attending remotely to hear the members of the board of directors physically present at the meeting at all times and any public comment.

A board member attending remotely shall not:

- a) Attend an executive session or closed hearing; or
- b) Vote on an issue that is the subject of an executive session or closed hearing.

The Board minutes shall indicate if a board member is attending remotely and the method used to permit the member to attend remotely. If an executive session occurs during a meeting when a board member is attending remotely, the minutes will treat the board member attending remotely as though the member had left the room for any vote on a subject discussed in the executive session.

Up to three (3) times per calendar year, the board of directors may count a board member attending remotely for the purpose of establishing a quorum.¹ A board member attending remotely used to establish a quorum shall not be counted to determine if the board may enter executive session.²

Notes:

¹ The three (3) times when a remotely attending member may be counted towards a quorum is per board and not per each individual board member.

² A.C.A. § 6-13-619(c)(3) requires a quorum of the board be physically present for the board to enter executive session.

1.8—GOVERNANCE BY POLICY

The district shall operate within the legal frameworks of the State and Federal Constitutions, and appropriate statutes, regulations, and court decisions. The legal frameworks governing the district shall be augmented by policies adopted by the board of directors which shall serve to further define the operations of the district.

When necessitated by unforeseen circumstances, the Superintendent shall have the power to decide and take appropriate action for an area not covered by the legal frameworks or a policy of the Board. The Superintendent shall inform the members of the Board of such action. The Board shall then consider whether it is necessary to formulate and adopt a policy to cover such circumstances.

The official copy of the policy manual for the District shall be kept in the Superintendent's office. Copies of the manual within the District shall be kept current, but if a discrepancy occurs between manuals, the Superintendent's version shall be regarded as authoritative.

Administrative regulations shall be formulated to implement the intentions of the policies of the Board. Regulations may be highly specific. The Board shall review administrative regulations prior to their implementation.

Last Revised: July 10, 2008

1.9—POLICY FORMULATION

The Board affirms through its policies and its policy adoption process, its belief that: The schools belong to the people who create them by consent and support them by taxation;

- 1) The schools are only as strong as an informed citizenry and knowledgeable school staff allow them to be; and
- 2) The support is based on knowledge of, understanding about, and participation in the efforts of its public schools.

The following shall be the guidelines for policy adoption for the Waldron School District.

General Policies

Policies that are not personnel policies may be recommended by:

- The Board or any member of the Board;
- The Superintendent, Assistant Superintendent, any other administrator or employee of the District
- Committee appointed by the Board; or
- Any member of the public.

Policies adopted by the Board shall be within the legal framework of the State and Federal Constitutions, and appropriate statutes, rules, and court decisions.

Except for personnel policies, when reviewing a proposed policy, the Board may elect to adopt, amend, refer back to the person proposing the policy for further consideration, take it under advisement, reject it, or refuse to consider the proposal.

Licensed and Classified Personnel Policies

Personnel policies (including employee salary schedules) shall be created, amended, or deleted in accordance with State law:

(1) Board Proposals:

The Board may adopt a proposed personnel policy by a majority vote. Such policies may be proposed to the Board by a Board member or the Superintendent. The Board may choose to adopt the proposal, as a proposal only, by majority vote.

Following the adoption of a proposed personnel policy, the proposal must be presented to the appropriate Personnel Policy Committee (PPC). Such presentation shall be in writing, to all members of the Committee.

When the PPC has possessed the proposed personnel policy for a minimum of ten (10) working days from the date the PPC received the proposed policy (i.e., ten (10) workdays, not including weekends or state or national holidays), the Chairman of the PPC, or the Chairman's designee, shall be placed on the Board of Director's meeting agenda to make an oral presentation to the Board to address the proposed

policy. Following the presentation, the Board may vote at the same meeting at which the proposal is made, or, in any case, no later than the next regular Board meeting to:

- (a) Adopt the Board's original proposed policy as a policy;
- (b) Adopt the PPC's counter proposed policy as a policy; or
- (c) Refer the PPC's counter proposed policy back to the PPC for further study and revision. Any such referral is subject to the same adoption process as a proposed policy originating from the board.

(2) Personnel Policies Committee Proposals:

Either PPC may recommend changes in personnel policies to the Board. When making such a proposal, the Chairman of the PPC, or the Chairman's designee, shall be placed on the Board of Director's meeting agenda to make an oral presentation to the Board.

The Board may vote on the proposed policy at the same meeting at which the proposal is made, or, in any case, no later than the next regular Board meeting. In voting on a proposed policy from the Personnel Policies Committee, the Board may:

- (a) Adopt the proposal;
- (b) Reject the proposal; or
- (c) Refer the proposal back to the Personnel Policies Committee for further study and revision.

When the Board is revising the licensed and classified personnel salaries, the Board of Directors shall, as required by Arkansas law, review and approve by a written resolution any employee's salary increase of five percent (5%) or more for the employee.¹

A copy of all personnel policies shall be signed by the president of the Board of Directors and kept in a central records location.

All personnel policies must be sent to the PPC for the minimum ten (10) days regardless of the intended effective date of the policy.

Effective date of policy changes:

All personnel policy changes enacted during one fiscal year will become effective on the first day of the following fiscal year, July 1. This specifically includes any changes made between May 1 and June 30 to ensure compliance with state or federal laws, rules, or regulations or the Arkansas Department of Education Commissioner's Memos. In addition, changes to policies to maintain compliance with state or federal laws, rules, regulations, or Commissioner's Memos that are after June 30 but are adopted within ninety (90) days from the effective date of the legal change that created the need for the policy adoption shall become effective on the final date of adoption.

Changes made to personnel policies between May 1 and June 30 that are **not** made to ensure compliance with state or federal laws or regulations will take effect on July 1 of the same calendar year provided no later than five (5) working days after final board action, a notice of the change is sent to each affected

employee by first class mail to the address on record in the personnel file.² The notice of the change must include:

- a. The new or modified policy or policies provided in a form that clearly shows the additions underlined and the deletions stricken;
- b. A statement that due to the change(s), the employee has the power to unilaterally rescind his/her contract for a period of thirty (30) days after the school board took final action on the policy (policies). The rescission must be in the form of a letter of resignation within the thirty (30) day period.

Except for policy changes to ensure compliance with changes in the law that are adopted within the ninety (90) day window, for a policy change to be made effective prior to July 1 of the following fiscal year, a vote must be taken of all licensed personnel or all classified personnel, as appropriate, with the vote conducted by the appropriate PPC.

If, by a majority vote, the affected personnel approve, the policy becomes effective as of the date of the vote, unless otherwise specified by the Board in requesting such vote. No staff vote taken prior to final board action will be considered effective to make a policy change.

All non-personnel policy changes may become effective upon the Board's approval of the change, unless the Board specifies a different date.

Student discipline policies shall be reviewed annually by the District's personnel policy committees and may recommend changes to such policies to the Board of Directors.³

Parents, students, and school district personnel, including teachers, shall be involved in the development of student discipline policies.⁴

Notes: ¹ A.C.A. § 6-13-635 requires the resolution, but all of the Act's listing of reasons except one are statutorily required raises and most are paid by the state and not district funds. None-the-less, the resolution is required. We recommend the following language:

Whereas, the superintendent has identified all changes from last school-year's published salary schedule, and has identified and presented the Board of Directors with each employee's salary increase of five percent (5%) or more as required under A.C.A. § 6-13-635 and created a spreadsheet explaining each;

Therefore, the Waldron School District Board of Directors approves and resolves that the spread sheet including those explanations are a factual representation of the raises given for the insert date school-year.

² Districts should plan carefully to avoid accidentally triggering the late-adopted personnel policy right of recession. School employees who take the opportunity to escape their contractual obligations and leave the school district would be very disruptive to staffing plans for the next school year. Salary schedules for the upcoming school year, in particular, should either need to be adopted prior to May 1, or after July 1 (and requiring a vote of the applicable staff to be effective) thus avoiding the right of rescission.

³This sentence is governed by Arkansas law. ASBA believes any PPC review of student discipline policies is to be initiated by the PPC. There is no district requirement to make sure it happens.

⁴ASBA believes this statutory requirement is an "umbrella" requirement for discipline policies in general rather than requiring EVERY discipline policy to go through a stakeholder committee pre-approval process. ASBA also believes input from such stakeholders is an important factor in improving discipline policies and gaining/keeping support for those policies.

In the absence of such documentation, the district shall attempt to obtain records of training received from training providers.

- c. The spouse of a child of the individual or the spouse of a child of the individual’s spouse;
- d. Parents of the individual or parents of the individual’s spouse;
- e. Brothers and sisters of the individual or brothers and sisters of the individual’s spouse;
- f. Anyone living or residing in the same residence or household with the individual or in the same residence or household with the individual’s spouse; or
- g. Anyone acting or serving as an agent of the individual or acting or serving as an agent of the individual’s spouse.

“Initially employed” means:

- A. Employed in either an interim or permanent position for the first time or following a severance in employment with the school district;
- B. A change in the terms and conditions of an existing contract, excluding:
 - I. Renewal of a teacher contract under A.C.A. § 6-17-1506;
 - II. Renewal of a noncertified employee’s contract that is required by law; or
 - III. Movement of an employee on the salary schedule which does not require board action.

NEW HIRE OF SCHOOL BOARD MEMBER’S RELATIVE AS SCHOOL EMPLOYEE

The district shall not initially employ a present board member’s family member for compensation in excess of \$10,000 unless the district has received approval from the Commissioner of the Department of Education. The employment of a present board member’s family member shall only be made in unusual and limited circumstances. The authority to make the determination of what qualifies as “unusual and limited circumstances” rests with the Commissioner of the Department of Education whose approval is required before the employment contract is effective, valid, or enforceable.

Initial employment for a sum of less than \$10,000 per employment contract or, in the absence of an employment contract, calendar year does not come under the purview of this policy and is permitted.

The board member whose family member is proposed for an employment contract, regardless of the dollar amount of the contract, shall leave the meeting until the voting on the issue is concluded and the absent member shall not be counted as having voted.

EXCEPTION: SUBSTITUTES

Qualified family members of board members may be employed by the district as substitute teachers, substitute cafeteria workers, or substitute bus drivers for a period of time not to exceed thirty (30) days per fiscal year.¹

A family member of a school board member having worked as a substitute for the district in the past does not “grandfather” the substitute. The thirty (30) day maximum limit is applied in all cases.

EXISTING EMPLOYEES WHO ARE FAMILY MEMBERS OF SCHOOL BOARD MEMBERS—RAISES, PROMOTIONS OR CHANGES IN COMPENSATION

Any change in the terms or conditions of an employment contract including length of contract, a promotion, or a change in the employment status of a present board member’s family member that would result in an increase in compensation of more than \$2,500, and that is not part of a state mandated salary increase for the employee in question, must be approved by the Commissioner of the Department of Education before such changes in the employment status is effective, valid, or enforceable.

QUALIFICATIONS FOR RUNNING FOR SCHOOL BOARD MEMBER UNCHANGED

The employment status of a citizen’s family member does not affect that citizen’s ability to run for, and, if elected, serve the school board provided he/she meets all other statutory eligibility requirements.

Note: ¹ This paragraph is necessary if the district is to be eligible to hire any board member’s family members as substitute employees. The board may choose to not allow such hiring. If they so choose, substitute the following sentence for the existing one: *Family members of board members shall not be employed by the district as substitute teachers, substitute cafeteria workers, or substitute bus drivers.*

1.18—DISTRICT AUDITS

The District's annual audit serves as an important opportunity for the Board of Directors to review the fiscal operations and health of the district. As such, it is vital Board members receive sufficient explanation of each audit report to enable the members to understand the report's findings and help them better understand the District's fiscal operations.

The District shall have an audit conducted annually within the timelines prescribed by law. The audit shall be conducted by the Division of Legislative Audit or through the audit services of a private certified public accountant(s) approved by the Board.

The Board of Directors shall review each annual audit at the first regularly scheduled board meeting following the receipt of the audit if the District received the audit prior to ten (10) days before the regularly scheduled meeting. If the audit report is received less than ten (10) days prior to a regularly scheduled board meeting, the board may review the report at the next regularly scheduled board meeting following the ten (10) day period.

The Superintendent shall present sufficient supporting/background information relating to the report's findings and recommendations which will enable the Board of Directors to direct the Superintendent to take appropriate action in the form of a motion or motions relating to each finding and recommendation contained in the audit report. Actions to be taken will be in sufficient detail to enable the Board of Directors to monitor the District's progress in addressing substantial findings and recommendations and subsequently determine that they have been corrected. The minutes of the Board's meeting shall document the review of the audit's findings and recommendations along with any motions made by the Board or actions directed to be taken by the Superintendent or designee.

The Board of Directors is responsible for presenting the audit's findings each year to the public .¹

Notes: ¹ The Standards of Accreditation (7.03.3.1) requires a report to the public by November 15, but doesn't specify it include the audits' findings. A.C.A. § 6-13-620(6)(F) requires the reporting of the audit's findings, but doesn't specify any date by which they must be reported. In other words, you MAY go over the audit report at you annual meeting, but it is not required.

1.19—BOARD MEMBER LENGTH OF TERM and HOLDOVERS

The District has five (5) Board of Directors members. Each member is elected for a term of service of five (5) years. Members may be re-elected to serve consecutive terms so long as the member continues to meet the eligibility requirements for board service.

A board member remains in office until the member's successor has been sworn into office. In the event a board member's term of office has expired and no one is elected to replace the member, or the individual elected fails to receive the oath of office within the time set in statute, the board member becomes a "holdover" and is treated as having been re-elected to office for another term;¹ Board members may only serve one term as a holdover and may be re-elected to the board at the expiration of his/her term. Consequently, should no individual be elected to the position at the expiration of the holdover term, the position shall be declared to be vacant and filled in accordance with Policy 1.2—BOARD ORGANIZATION AND VACANCIES and Arkansas law. Board members not wishing to continue as a holdover may resign from office and the position is to be filled in accordance with Policy 1.2.

Notes: ¹ In order to serve as a holdover, the board member must be otherwise eligible for the position on the board in question. A board member who has moved to a different zone in the district would not be able to serve as a holdover because the individual would not be eligible to be elected to the position; this situation would create a vacancy on the board to be filled in accordance with Policy 1.2—BOARD ORGANIZATION AND VACANCIES.

1.20—DUTIES OF THE LEGISLATIVE LIAISON

The Board of Directors recognizes the needs of the District require the Board to take an active role in the legislative process as it relates to legislation affecting this district and public education in general. To aid the Board in this endeavor, the Board shall elect one of its members to hold the office of Legislative Liaison. The duties of the legislative liaison are to:

- Be the primary contact person for legislative updates from the Arkansas School Boards Association (ASBA);¹
- Keep the other members of the Board up to date on legislative issues;
- Make arrangements for the legislators whose representation zones cover the District to be contacted by either the liaison him/herself or by another board member on pending issues that would impact the District.

Notes: The legislative liaison position and this policy are not statutorily required but is requested by ASBA so each board has at least one individual selected to receive and respond to ASBA's legislative updates. Your district could choose to make it part of another officer's duties rather than a separate office.

¹ Multiple board members from a district may elect to receive legislative updates from ASBA but all legislative liaisons will automatically be added to the email list to receive legislative updates.
